#### Welcome to the League's 92nd Annual Craftsmen's Fair -

Welcome to the League's 92nd Annual Craftsmen's Fair – our 61st with Mount Sunapee as our backdrop. This celebration of the arts is the non-profit League's largest fundraiser each year. We believe that craft is best experienced in person, and the Fair is an amazing opportunity to not only see the work, but speak with the makers and watch engaging demonstrations to see how things are made. We hope you have a wonderful time connecting with the artists, tasting new food offerings and enjoying an array of musical guests. The arts provide a creative outlet that is unmatched, and we are grateful that you have chosen to spend your day with us and these talented craftsmen. Thank you for your support of the League and its members!

#### **Kate Saunders, Executive Director**

#### Cover Art - the Hands of the Maker -

From the League's beginnings in the 1930's, our focus has always been on the creation of craft "by hand" and the joy that this exercise brings. In 2024 this was emphasized through the storytelling of the film "A Handmade Life", produced by Windwood Productions and directed by Ian Scura. The movie features the background and inspirations of ten League members in various media, allowing us a glimpse into their lives and livelihood. On each day of our Fair, we pull back the curtain, just as was done in the film, and guests are able to see many hands at work transforming raw materials into objects that convey meaning and purpose. Young and old, experienced and novice – the future of the arts in our communities is being shaped by the hands of artists everywhere, and we are honored to showcase them at our 2025 Fair.

## AN INTRODUCTION TO THE LEAGUE OF NH CRAFTSMEN

The Mission of the League of NH Craftsmen is to advance, cultivate and champion excellence in fine craft. We pursue that mission through educational programming, leadership initiatives, marketplace strategies and support services.

For over 90 years, the nonprofit League of NH Craftsmen has promoted fine craft, supported craftsmen, and educated and enriched New Hampshire's communities. Nearly 700 juried members produce exceptional contemporary and traditional craft in a wide range of media areas.

Visitors shop year-round in our six affiliated Fine Craft Galleries which feature outstanding hand-made craft. Exhibitions at the League's Headquarters location in Concord regularly celebrate the artistry of our members and quest artists. The Annual Craftsmen's Fair serves as the League's largest fundraiser, allowing the organization to provide services to our craftsmen and the public throughout the year.

The League's story begins in the mid-1920's when Mrs. Mary Coolidge and A. Cooper Ballantine joined forces to promote craft in New Hampshire. By 1932, the League of New Hampshire Arts and Crafts had been established, and the first official League shop was opened in Wolfeboro. The following year, the first Craftsmen's Fair was held, making it the oldest continuously operating outdoor craft fair in the country.

Rebranded as the League of NH Craftsmen in 1968, the League continues to be recognized as one of the country's leading fine arts organizations, setting the standard for fine hand crafts. Our members are recognized throughout the country and the world for their creativity and technical expertise.

## SCULPTURE GARDEN

Enjoy a stroll through our imaginative Sculpture Garden. We hope you will be inspired to incorporate stunning craft into your outdoor spaces!

The Sculpture Garden is located on the hillside below Tent 1.

If you are interested in purchasing a piece from the Sculpture Garden, please inquire at the Art, Craft & Design exhibition for sales assistance.

EXHIB: Art, Craft & Design Exhibition; SG: Sculpture Garden; TSATF: The Shop at the Fair; DEMO: Demonstration

Fair participation for League Members can be as varied as the media they represent. Aside from holding a booth, opportunities for participation include demonstrations, the Art, Craft & Design and Sculpture Garden Exhibitions, and The Shop at the Fair. The additional participation of nearly 100 League Members this year enriches and diversifies the Fair, and showcases even more of the skilled craftsmen that the League represents.

This section provides the names and contact information for our additional League participants, as well as their participation locations and media.
